Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it contains a valid OMB control number.

DECLARATION FOR UTILITY OR DESIGN

Attorney Docket Number

(Title of the Invention) the specification of which is attached hereto OR OR	First Named Inventor Kong Lam Song										
Declaration Submitted or Submitted after Initial Filing Date with Initial Filing (surcharge (37 CFR 1.16(e)) required) As a below named Inventor, I hereby declare that: My residence, mailing address, and citizenship are as stated below next to my name. I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled: "Die Bonding Apparatus With Automatic Die And Lead Frame Image Matching S (Title of the Invention) the specification of which is attached hereto OR was filed on (MM/DD/YYYY) as United States Application Number or PCT In Application Number and was amended on (MM/DD/YYYY) (if applicable). I hereby state that I have reviewed and understand the contents of the above identified specification, including the amended by any amendment specifically referred to above. I acknowledge the duty to disclose information which became available between the filing date of the prior application and the PCT international filing date of the continuation-in-part application. I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or 365(b) of any foreign application(s) for patent, inventor breeders rights certificate(s), or 365(a) of any PCT international application which designated at least one country oft United States of America, listed below and have also identified below, by checking the box, any foreign application inventor's or plant breeder's certificate(s), or any PCT international application having a filing date before that of the ap which priority is claimed. Prior Foreign Application Number(s) Country Foreign Filing Date (MM/DD/YYYY) Not Claimed Filing Date unknown Examiner Name unknown Examiner Name unknown Examiner Name Inknown Inknown Examiner Name Inkno											
Declaration Submitted with Initial Filling (Surcharge (37 CFR 1.16(e)) required) As a below named Inventor, I hereby declare that: My residence, mailing address, and citizenship are as stated below next to my name. I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled. "Die Bonding Apparatus With Automatic Die And Lead Frame Image Matching S (Title of the Invention) the specification of which is attached hereto OR was filed on (MIM/DD/YYYY) as United States Application Number or PCT In Application Number and was amended on (MIM/DD/YYYYY) (if applicable). I hereby state that I have reviewed and understand the contents of the above identified specification, including the amended by any amendment specifically referred to above. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for contents of the above identified specification, including the performation which is material to patentability as defined in 37 CFR 1.56, including for contents of the above identified specification, including the performation which is material to patentability as defined in 37 CFR 1.56, including for contents of the above identified specification, including the performation which is material to patentability as defined in 37 CFR 1.56, including for contents of the above identified specification, including the performation which is material to patentability as defined in 37 CFR 1.56, including for contents of the above identified specification, including the performation which is material information which is material information which designated at least one country of united States of America, listed below and have also identified below, by checking the box, any foreign application inventor's or plant breeder's certificate(s), or 365(a) of any PCT international applica	unknown										
with Initial Filing Surcharge (37 CFR 1.16(e)) required) As a below named Inventor, I hereby declare that: My residence, mailing address, and citizenship are as stated below next to my name. I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled.
